

ARABIAN PACKAGING's business growth in Egypt

After several years of good working relationships between Arabian Packaging and Egypt's Market, Mr. Luke Banks (GM Arabian Packaging) continues to support this growth and the development of business opportunities.

Société Nationale Du Commerce

Partnerships were strengthened further as the new GM of Arabian Packaging, Luke Banks along with one from his Sales team Ehab Faddah visited Egypt and one of AP's most important customers Sonac on Thursday 27th February 2020. Mr Luke Banks stated, "It was hugely important that I make this visit to Sonac, and I must pass on my gratitude to Eng. Mohamed Khalil (CEO Sonac), and Mr. Gerd Born (MD Sunfare) for their

hospitality and welcome during this introductory meeting. The tour around the facility clearly demonstrated the commitment to quality of Sonac, as a leader within the Egyptian market. It's vitally important that AP continues to support this commitment in the future, as it has done so successfully in the past"

On Wednesday 26th February 2020, Mr Luke Banks & Ehab visited their customer Egast in order to make an introduction and further develop the supply relationship between the companies. The meeting was hosted at the Egast facility by Mr. Hatem El Shalma (CEO Egast). Mr. Luke Banks stated, “I must express my thanks to Mr. Hatem for the welcome and hospitality during the visit. The tour of the facility was hugely impressive, and we look forward to growing our supply partnership with Egast in the future.
